A LITTLE BACKGROUND ON HOW OUR INNER WHEEL PRAYER ORIGINATED

Way back in 1970, Silla Ardeshir a member from the Inner Wheel Club of Bombay , India attended one of the meeting of a local Club in Australia. At the beginning of the meeting she heard the members recite a short prayer, a collect. She liked the collect and brought it back with her to India and modified it to suit our country and presented it to her club. Soon the other Clubs too adopted this and this was born the Inner Wheel Prayer as it is recited today in our Country.

Editors Note

At the very outset let me quote Malala Yousafzai, **“There are two powers in the world: one is the sword and the other is the Pen. There is a third power stronger than both is WOMEN.”**

Righteous, harmony and beauty were known to be the three forces that combined for the world peace. With only two decades of association in our pursuit as a collective force, the 21st century has seen unprecedented changes. The day has come when men have started recognising women as his peer, not only at the fireside, but in councils of the nation, and perfect comradeship has resulted in the highest development. The monumental shift has seen emergence of an organisation Inner Wheel which stands at the forefront to make women stronger than ever and celebrate womanhood.

Diane Mariechild said and I quote “A woman is the full circle. Within her is the power to create, nurture and transform”.

Let us believe that each one of us has a personnel calling, which is unique as a fingerprint- and that the best way to succeed is to discover what you love and then find a way to offer it to others in the form of service and as we work hard, let the energies of the universe lead us. These beliefs has made us to take every steps and work on various issues to overcome the hindrance confronting the women especially on water and sanitation, women empowerment, environment, education, and health sector with our guiding mantra of the year ‘STRONG WOMEN, STRONGER WORLD’ made us as SHEROES with our sole commitment – Dare Not as We Take Care and Share.

Our outgoing District Chairman Amita Mundra with her grit and determination, devotion has been an outstanding leader as she led the organisation and setting examples for all of us to emulate. I extend my gratitude to her for being so supportive and cooperative at every occasion.

I would always cherish the memories of the year and the learning that I garnered with the association from my fellow Inner Wheel members of DEC and the District Chairman Kakoli Chowdhury for her continuous helping hand in bringing up the Directory publication.

My sincere appreciation to the 31 Editors of IWD 324 for their quick response and lending their hand by standing along during the year and making a telling difference.

The road is long, but let’s not loses the sight of the horizon. IWD 324 has to develop judicious skills of intervention with women and seek their participation for all round development. Let’s go all out and ACHIEVE.... OUR GOAL.

With best wishes to the incoming team.

FOUNDER OF INNER WHEEL-THE VISIONARY

Mrs. Margarette Oliver Golding

The Candle that lit the Flame of Inner Wheel

Mrs. Oliver Golding (Anne Margarette Owen) in 1923 took first step to form an Organization, which is today considered as one of the largest organizations of women in the world. Mrs. Oliver Golding the wife of a Manchester Rotarian, was born of Welsh parentage at Hey Brecon. She was trained as a nurse and had served during the First World War. This triggered off a deep desire to help all ailing, deprived humanity. She was an extremely capable business woman and a great philanthropist; her chief social interest being the Manchester Girls' Orphanage and Ancoats Hospital, for which the Inner Wheel of Manchester provided and furnished a mortuary chapel. She also did a great deal for the Girl Guide Movement, in which she held the Office of the Commissioner.

The wives of Rotarians in Great Britain and Ireland worked together with their husbands to help them in their projects and social service. As a result, the wives became acquainted with the projects and the friendship, which resulted in the club formation. In 1924 Mrs. Oliver started the First Inner Wheel Club at Manchester in England.

She formed, directly and personally, numerous Clubs and several Districts and her inspiration is remembered to this day, she successfully achieved even harder task in persuading Members to look beyond their local concerns and become part of a greater whole and serve the Society. She was versatile and dedicated.

Here was a vital personality combined with a clear brain and the ability to convey ideals to others. She was an excellent speaker and had a lively sense of humour which enriched her words. Nature has bestowed her with gift of inspiring friendship and devotion. Her greatest attribute was courage and courage was what Inner Wheel needed in the beginning. Inner Wheel was firmly established during her lifetime upon the path which it was to follow thereafter.

From the carefully preserved minutes, we come to know that 27 members were present for the first inaugural meeting of the first Inner Wheel Club in the world. The objects were clearly defined as Friendship and Service.

Her passing away on May 2nd 1939 was grievous and untimely end to a life devoted to the service of others.

This Lady lit the Candle....Let us keep it glowing....

ABOUT INNER WHEEL

Inner Wheel, a 100% women's organization, is essentially a grass root level organization with most of its service efforts being carried out at the club level. The District, the Association and the international structure are designed to support the clubs and help them provide more service in their communities and beyond that.

The club President is the leader of the club. Each club elects its own officers and enjoys considerable autonomy within the framework of Inner Wheel Constitution and Bye-laws.

Districts : Group of clubs are clubbed into Districts. In Association of Inner Wheel Clubs in India, there are 27 Districts, each led by a District Chairman.

Association : Districts together in a country or countries form an Association headed by Association President.

ASSOCIATION PRESIDENT'S MESSAGE

Dr. Surjit Kaur

Association President / National Representative

My dear friends in Inner Wheel,

WE CARE.....Yes, we do!

Dare, Care and ShareYes, we will!

This is the challenge I place before you this year - Dare, Care and Share. Three small words yet with great depth of meaning .As members of Inner Wheel, this great women voluntary organization, we Dare to do the impossible, because we Care and we wish to Share.

It is so simple. Ever since the inception of Inner Wheel, in 1924, we as members have taken up many challenges, without fear, and with a genuine desire to serve those who need help. Our Inner Wheel prayer says that wherever the need for service arises, be ready to serve.

And we at Inner Wheel have come forward with courage and compassion to serve. The world in the last hundred years has seen wars, famines, pestilences, earthquakes, floods, epidemics, and the most recent Covid -19 which shook the world to its very foundations.

Yet Inner Wheel members were to be seen everywhere serving the people in any way they could. Nothing could stop them. They DARED because they CARED

The IIW theme for the year 2022-2023 by our IIW President Zenaida Farcon —Work Wonders - is a theme that encompasses a very broad spectrum of what we as members can do , to make a difference to the community, society , and the world at large. It inspires us to work Wonders and miracles, when all seems hopeless. Let us all join together to Work Wonders and we will watch the miracles unfold.

I believe that a woman needs to be healthy .She needs to be educated. She needs to be given equal opportunity. She needs skill training. She needs to stand tall and empowered. Keeping this in mind my major focus would be on Adolescent and Women Welfare. Positive health for adolescents and women is my primary goal. A battle against the dreaded Cancer, anemia - spreading awareness regarding early detection and treatment and other health issues will be dealt with

“Education is the most powerful weapon which you can use to change the world” said Nelson Mandela. We will use this weapon to educate children who have never seen the inside of a school, school dropouts, educate the adult whose identity is her fingerprint as well as foster E Learning for all. Voluntary teachers would be encouraged and their social conscience awakened

Save the environment, Save the world. The Dalai Lama says that it is our collective and individual responsibility to preserve and tend to the environment in which we all live. We must ensure that the world we pass on to future generations is better than what we found it.

With this in mind, a major drive to minimize air, water, noise pollution and regulate waste management will be undertaken. Efforts to bring back tall shady leafy trees that were a part of our childhood and afforestation on a war footing will be organized. "Each one plant many" is my wish.

An increased membership means more hands to serve. Let us bring into the Inner Wheel fold those women who wish to serve and are looking for a forum of likeminded women to channelize their compassion and generosity.

As we step into a New Year of Friendship , Service and International Understanding, as we build further on the mighty edifice of Inner Wheel in India, as we Work Wonders and Miracles as we make the impossible possible with courage, dedication & friendship, let us in the words of Swami Vivekananda "Arise ,Awake And Stop Not Till The GOAL is reached".

I wish you all the best my dear Wonder Workers.

God bless you

Dr. Sujit Kaur

DISTRICT CHAIRMAN'S MESSAGE

Kakoli Chowdhury

District Chairman 2022 - 2023

Warm InnerWheel Greetings to each and every one of you.

Throughout the history of the world, ever since the revolution that the plough brought about, women have been relegated to the back stage. As though they do not count. Yet logic tells us that it is impossible for society to progress if women, half of the human race, played no part in it at all. Ignored, neglected and deprived, women have always been and are still fighting for their legitimate claim on the resources of the world.

InnerWheel Club, the second largest women's club in the world and spread over a hundred countries, has made significant thrusts in the direction of improving the condition of women. This year, too, we will continue to concentrate on welfare of women and adolescent girls, bring about awareness regarding cancer and anaemia and other non communicable diseases, cleansing the environment, mainly water and solid waste and create linkages.

We have an extremely talented work-force of over a lakh members and that includes you. If you have joined the InnerWheel Club it means that you have concern for others. That you are willing to work for the downtrodden, the lesser privileged member of society, for women. To be of service to humanity is the key desire of all members of Inner Wheel. You want to bring your unique talents into service for others and are enthusiastic to be an agent of change and I salute you for that.

In the words of Rabindranath Tagore, "I slept and dreamt that life was joy. I awoke and saw that life was service. I acted and behold service was joy." To look upon life as service, to have a purpose in life outside ourselves and our personal happiness is what brings about real joy.

You and I, together will Work Wonders. We will dare to dream and turn our dreams into action. We will care for humanity till it hurts and together we will brighten the future. That is a promise.

Yours in InnerWheel.

Kakoli Chowdhury

District Chairman 2022 - 2023

AC MEMBERS MESSAGE

Amita Mundra

District Chairman 2021-22

Dear Inner Wheel family

It seemed like yesterday when I was drafting my first message as the District Chairman 2021-22 for our wonderful District 324. I remember planning and pondering upon the main goals, the main themes and the main agenda for this year. The anticipation and the anxiety churned my stomach, but every bit of anxiety was replaced by warmth and joy that came after the fulfilment of any project or meeting. As I write this final message as a District Chairman, all I feel is a sense of satisfaction and delight, not because we had a year full of only beautiful memories but because it was a year of ups and downs, of highs and lows. But what remained constant was our determination as one big family to keep moving forward and ensure that the wheels of Inner Wheel are constantly rotating to create a society of service, understanding and friendships.

The year 2021-22 has left an indelible mark and has made me evolve as a person. This year has made me meet so many incredible people, people who are ready to serve society and keep others above them in times of adversity. We started the year online, but we ended the year offline, a transition which wouldn't have been so smooth without the support of each and every one of you.

As we head towards our new Inner Wheel year 22-23, the baton of leadership will be handed over to our very dear and able leader Ms. Kakoli Choudhury. I wish her and her team a great year ahead and I am sure they will take our District to much greater heights.

At the end of this letter and my journey as a District Chairman, I would like to thank each Past District Chairmen for their guidance and in particular PDC Dr. Renu Verma for her mentoring in every situation. Thanks to District Executive Committee members for their support, all my Club Presidents (Dazzling Pearls) for their unconditional love and a warm hug to all the members of District 324. This journey wouldn't have been possible without you and your determination.

I would like to end with what I began a year ago -

“Keep chasing your dreams and move towards a more humane and kind society.”
Shine in Inner Wheel

Signing off with love

Amita Mundra

District Chairman 2021-22

DISTRICT GOVERNOR MESSAGE**DGE Dr. Kushanava Pabi**

It gives me immense pleasure and satisfaction when I find that you will be coming out with a District Directory of Inner Wheel Clubs of Dist. 324.

Inner Wheel, we all know, that today it is our partner in service with Rotary. It must be acknowledged that in spite of all odds you are able to hold high the flag of Inner Wheel. You must be knowing that this is the first time in Rotary history, a woman will be our Rotary International President. She is Jennifer Jones of Canada. Amongst other agendas in her tenure, she has given special emphasis on “woman empowerment”. I hope on this subject Rotary and Inner Wheel in the future can partner with each other to bring about some meaningful and impactful projects. We respectfully honour your effort and vision of becoming a helpful arm for doing good to the society.

Thanking you and wishing you a very colourful and enjoyable year ahead.

Yours in Rotary

DGE Dr. Kushanava Pabi

KNOW YOUR ORGANISATION

WHAT IS INNER WHEEL?

Inner Wheel is the world's largest women's voluntary organization and comprises of the women folk of Rotarians. It is a recognized voluntary Non-Government Organization to help and serve the needy and underprivileged section of the Society. In recognition of its social service, it has got representation in the United Nations Economic and Social Council.

The Inner Wheel concentrates upon Friendship and Personal Service. It is not what is termed as "a money raising organization", though each club selects its own charities and channels of service. One of the greatest features of Inner Wheel is the opportunity given to its members the world over to get to know one another, thus contributing to International Friendship and Understanding.

BEGINNING OF THE INNER WHEEL MOVEMENT

Mr. Paul Harris started the first Rotary Club in 1905. In 1920, the wives of Rotarians in Great Britain and Ireland joined hands to help their husbands with social work undertaken by the Rotary club. The friendship resulted in forming the Inner Wheel Club in 1924; the Manchester Club of England was formed and was named Inner Wheel.

As time passed, many Inner Wheel Clubs came into being and in 1934; the Association of Inner Wheel Clubs in Great Britain and Ireland was formed with Mrs. Oliver Golding as the founder President and Mrs. Nixon as the Secretary. They realized that unity is strength and had the wisdom to group Clubs into Districts and then later to bring the Districts to form an Association. Since then the movement has grown rapidly and spread all over the globe.

A PROFILE OF INNER WHEEL

Inner Wheel is an International Organization. Administratively, it functions at 4 levels. India is the 2nd largest Association. Inner Wheel is totally democratic at all levels. Every office is an elected one and every club has right to vote. IIW is governed by a Constitution and it is amended every 3 years at the IIW Convention. Once in three years an International Convention is held, proposals are submitted to amend the Constitution.

ORIGIN OF ENGLISH VERSION OF INNER WHEEL PRAYER

Way back in 1971, Silla Ardeshir, a young member from India attended one of the meetings of a local Club in Australia. At the beginning of the meeting she heard the members reciting a Collect. She was impressed with that and felt why not one for her home Club, Inner Wheel Bombay? She brought back the Collect with her and India being a diverse country, she made the changes to suit the country and presented it to her Club. Soon the other Clubs too adopted this and thus the Inner Wheel Prayer was born. She left this world on January 2021 at the age of 99.

THE SIGNIFICANCE OF 10TH JANUARY / STORY OF IIW DAY

International Inner Wheel Day, celebrated on 10th January, was the idea of 2nd International Inner Wheel President Helena Foster (1969-70). She wrote a letter to all clubs worldwide, "I would like to have one day in the year when all Inner Wheel members would do something special and think of their fellow members around the world to do some kind of personal service. I have chosen this special day because it was on January 10, 1924 that the Mother Club, the Manchester Inner Wheel Club, England first adopted the name "Inner Wheel". It can be interpreted in any way you think fit - in a group or as in individual - giving personal service to someone who needs you - planting a tree or flowers to beautify some corners of your land or just the simple act of writing a letter. I am sure that there are inspiration and encouragement to be gained by the knowledge that your fellow members throughout the world are at that moment joined together to extend service and friendship". The response to the first celebration of Inner Wheel Day was magnificent.

“There are no rights without corresponding obligations. Your right to become a member of this club is an exclusive one. We believe that you will enjoy being a member of our truly international organization and take a full and active part in all that this club offers. We do hope that you will find you are among friends and enjoy participating in all aspects of the Club and Inner Wheel.”

The President will then call upon all other members present to stand and addressing the new members say

On behalf of the Members of Inner Wheel Club of..... (Your clubs name), I welcome you and (addressing the Club), I introduce this new member to you and ask that you extend your friendship to her.

ELECTION - IMPORTANCE & PROCEDURE

The Inner Wheel is a democratic organization at all levels. Every year there is a change of guard and this change is brought about through election. It is important that these elections should be held in a fair and impartial manner. This depends a great deal on the District Chairman. She is the vital link between the Clubs and the District on one side and the Assn. and I.I.W. on the other side.

Elections conducted in the right spirit generate great enthusiasm and trust all around. It creates a feeling of goodwill which makes for efficiency and smooth working of the organization. It is essential that the Election process is taken seriously and everything done very carefully for there is what is called a ladder system. Every Office held at the lower level qualifies one for the higher office. Any mistake can lead to problems later not only procedural but also constitutional.

QUALIFICATIONS

Clubs - only the Clubs which have paid their dues are entitled to vote. (Some Clubs do not send their dues in time and their ballots are not counted.)

Candidates - I.I.W. Constitution and Association bye laws have set down their qualifications and the election procedures very clearly. It is important to go through the qualifications carefully as they are liable to change after I.I.W. Convention and Triennial Conference.

Please go through these qualifications very carefully for they are liable to change and can be amended. As District Chairman you must emphasize the importance of these qualifications to the Clubs for that is where the real ladder starts. Club election may be routine but nevertheless they are very important.

The District Chairman must see that all the Clubs in the District have paid their dues. This is what entitles them to a vote in the District, Assn. and I.I.W. elections.

Nominations must be very carefully filled, after verifying that the nominees fulfill all the qualifications laid down. Along with the nomination it is necessary to send the consent of the nominee in writing. It is a must. It is the responsibility of the Club, District, Assn. to ensure that the candidate has the mental and physical capacity to discharge the duties of the office. The photograph which is necessary for higher levels of Assn./I.I.W. Elections must be a recent one taken within 6 months.

The bio data of the candidate also needs attention. It is necessary at all levels. But at the Club and District level it can be on the letter head of the Club, for the Assn., I.I.W. elections there is a proper format which must be adhered to and has to be submitted in printed forms. Please put in only what is asked for and the personal bio data has to be put in the space provided for. It must be in the number of words which are specified. Do not miss out any qualification. Procedure of Election has been explained in the I.I.W. Constitution and Handbook. There are four levels – (i) Club (ii) District (iii) Association (iv) I.I.W.

Club Elections

- Election must be held before 31st December and nominations made in writing at least a month before the Election.
- Direct responsibility of Club President and Executive.
- Guide them properly.
- Proper notice to be given to the Members and procedures followed.
- Elections must be completed before 31st December
- Nominations can be invited from the floor of the house, if there are no nominations for the Club Executive Post. The candidate proposed must fulfill the essential qualification the office concerned.

District Elections

- These are always held at the time of District Conference.
- District Secretary calls for nomination well in advance (usually in September) in consultation with District Executive.
- Appoint a Scrutiny Committee with a senior Member of the District to check the nomination forms with District Chairman and District E.C.
- District Secretary to circulate the nominations with brief bio data of the nominee not less than 30 days before the District Conference.
- Proper arrangements for balloting at the District Conference to be made i.e. ballot papers, ballot box and appointment of senior Members of the District for the conduction of elections, usually Past District Chairman.
- District Chairman has the casting vote in case of a tie.
- No Club can have more than two Members in the District Executive. Voting is done by the voting Delegates. Clubs having more than 51 active Members have one extra Voting Delegate. If the Voting Delegate is not attending the District Conference, a Deputy may be appointed, who carries a letter on the Club Letter head, signed by the Club President and Club Secretary, which states that these Members have been nominated at a Club Assembly, held ____ date as voting delegates. This letter is a must and should be handed over to the Election Officer. No Voting Delegate can cast more than one vote. For voting, always put only an X. Any other mark is invalid.

Votes polled are not disclosed. It is the duty of the District Chairman to abide by the bye laws and act in an impartial and correct manner. Only then true democracy can prevail.

Association Elections

- Elections to different posts are held throughout the year.
- As different ballot papers are received by the Clubs, one should be careful.
- It is the duty of the District Chairman with the Executive to guide the Clubs' properly.

Association Elections are held by Postal Ballot.

- The Association Secretary sends out the Ballot papers with the Ballot-Envelope to the Club President.
- It is essential that the official ballot paper should have been signed by the Association President, Immediate Past Association President and Association Vice President.
- The Club decides at their Club Assembly and marks their choice with an X, send the Ballot Paper in the given envelope, and write the name of the Club and the District number on the envelope.
- The flap of the envelope has to be stamped with the rubber stamp of the Club. A ballot returned in an envelope without the stamp of the Club on the flap will become invalid.
- Please post it immediately, taking into account the postal delays.

The Important Elections held at Association Level

- Internal elections for Board Director or IIW offices if there are more than one candidate.
- Association Vice President/ Deputy National Representative.
- Club Presidents directly receive the ballots from the Association Secretary.
- Chairman must impress upon the Clubs to send their votes in time to avoid unforeseen delays in Postal delivery or other problems.
- Send the ballots by the registered post / courier / speed post, do not enclose any other written matter in the envelope and follow the instructions strictly to avoid invalidation of the ballots.
- The Club should also be told to cast properly. Put an X .only beside the name of the chosen candidate passed at your Club General Body Meeting.
- Distribute these forms at the Incoming Officers' Institutes and carry them along for illustration at the official visit.
- Chairman is the most important field officer to convey the significance of their power and duty to wards real and effective democracy.

- Due to repeated efforts the percentage of voting has gone up but still needs improvement. In some Districts, Clubs do not vote. Chairman receives the information copy from the Association Secretary. Kindly follow up immediately with the Clubs and send request for duplicate ballot at the earliest. Ensure that Clubs really need the duplicate ballots for; sometimes the Clubs send both the original and duplicate ballots.

International Inner Wheel Elections

- Clubs get confused between IIW and Association elections as they receive ballots for both the elections in December. For IIW Elections, last date for receipt of ballots at IIW Head Quarters is always 31st March of the year but for Association Elections, last date is given as decided by the Association.
- Club Secretary directly receives the ballot with the bio data and returning envelope from the IIW.
- For Board Director, Clubs have to put X against 16 names only.
- At IIW level the name of the candidate always starts with her second name i.e. it will be Marfatia G for GulnarMarfatia, Balijee R for RenuBalijee or Ramakrishnan K for Kamala Ramakrishnan. This must be understood properly.
- Write the name of the Club exactly as given in the Charter. Any other will make the vote invalid.
- Do not put any other letter in the envelope.
- Post the ballot immediately; do not wait for the last date.
- Return Envelope from IIW along with the ballot must be adequately stamped and marked AIRMAIL and instructions followed.
- If any Club has not received the ballot by the 25th December of the year, inform the Chairman who in turn must inform the Association Secretary / National Representative. IIW usually does not entertain the request for duplicate ballots.
