Daisaku Ikeda

Dear District Leader,

Hearty Congratulations for taking up the reigns as CENTENNIAL CHAIRMAN of your esteemed District for this milestone year 2023-24. Accept my warm wishes as you prepare to take up the responsibilities and challenges of your highest office at district level. This year, let us challenge ourselves to do more such projects and programs that have national reach and impact.

"डर मुझे भी लगा फांसला देख कर, पर मैं बढ़ता गया रास्ता देख कर,  
खुद ब खुद मेरे नज़दीक आती गई मेरी मंजिल मेरा हौंसला देख कर।"

A pyramid isn't built from the top down. The apex is attained only by laying strong foundation stones, one by one. The same is true of achieving a lofty objective. The crucial thing is to lay the first stone or to take the first step...I feel delighted to add to the foundation of your lofty objectives a sincere prayer & blessings of Lord Ganesha - To give you a clear & concise beginning illuminating your path of service above self.

वक्रतुंड महाकाय, सूर्य कोटि समप्रभः ।

My Dear Champion, lead with Centennial vision & goals and remember that one is courage & other is focus which we have to continue living with to be victorious & happy. Let's build a smart Inner Wheel by Tech-Empowering each member, Ignite Literacy as Inner Wheel India Mission and with wings of Education Empower Girls to Enrich our Nation.

Courage, strength and wisdom wells up in those who consciously take on everything as the protagonist and achieve their goals. Unlimited wisdom and ardent resolve arise from a sense of responsibility.

Let us all be the Trailblazers of peace & growth in our society and make the torch of Inner Wheel shine bright with your star performance this year.  
Wish you a stupendous year shining with your brilliant achievements.

Best wishes & Regards

## DISTRICT CHAIRMAN

What You Think You Become

What You Feel You Attract

What You Imagine You Create

The Future Belongs to One

Who Believe In The Power Of Their Dreams

Beloved Inner Wheel Sisters of District 324

My Warm Inner Wheel Greetings

It is indeed a privilege and blessings for me to adore the mantle of the District Chairman in the Centenary Year. The Wonderful Opportunity to Communicate with You All Through the First Issue Of Chairman Newsletter “Adhyayan” And to urge You All To “Shine A Light” Collectively for the Greater Good of the Society. At the Outset I Must Congratulate IWC Siliguri Savvy Club for organising such a Beautiful Centennial District Assembly “Sargam”. They worked round the clock and being a young next gen club did not leave any stone unturned to prove their talent and capabilities.

However, my journey had started with attending the Incoming Chairman’s Institute Training ‘ZENITH’ organized at Port Blair from 26th to 30th August 2023. It was a great learning platform and I got to make new friends and the unique hospitality left me awestruck. I learned do not let what you can do interface with what you can do and to be brave in enough to embrace each new challenge with a positive mind set.

A true leader heads by example so I took part in all the competitions and activities. I was well trained and well equipped and empowered to put my best foot forward to help my district attain new heights of Glory. I also had the privilege of attending Aviva the grand Installation Ceremony of our beloved Association President Preeti Gugnani held at Leela hotel Ambience mall on the 17th and 18th June 2023. I participated in the meaningful ramp walk with theme “Earth’s Symphony” to save the earth and celebrate the connection between fashion and nature on the 17th June and Showcased the natural recycled jute fibre clothes and jute jewellery & got the runner up award. All my fellow chairmen and myself performed a dance on the special theme this year TRAIL BLAZER converted to a beautiful song to spread the message of becoming angels of hopes to dispel gloom and despair. and be the true pathbreaker to being a tsunami of happiness collectively in the society and leave a trail of good deeds as true Trail blazer as a Vision with action can change the world. Every trailblazer should have a burning desire to head to inspire and empower other to being about meaningful difference in the world. Creative leadership combine with good character and intelligence is the need of the hour a little progress each day adds up to big results.

Failure is not falling down but refusing to get up. No one is perfect that is why pencils have erasers So, friends don’t worry about being successful work toward being significant and the success will naturally follow.

‘Believe in yourself’ you are braver than you think more talented than you know more capable and tenacious than you imagine.

Life is like riding a bicycle to keep your balance. You must keep moving .

You cannot cross the sea merely by standing and starring the water.

So friends set your goal start your planning manage your time prudently. Wish you all the very best my dear friends for the New journey of life new chapter full of challenges, friendships , enthusiasm and responsibilities. I pray to almighty to give us the strength to spread a light of hope.

THE INNER WHEEL CLUB OF SILIGURI MIDTOWN HAS COMPLETED 21 PROJECTS IN THE MONTH OF JULY

The Club has organized a series of impactful events promoting social causes and community welfare. They conducted tree plantation drives, honoring Chartered Accountants and doctors, and held an Installation Ceremony to foster fellowship. The Inner Wheel Club of Siliguri Midtown, driven by their commitment to community development, undertook significant initiatives such as adopting a school and a village, leaving a lasting impact on the lives of the people they touched.

In their unwavering commitment to education, the club adopted Rabi Ratna School at Pradhan Nagar. This decision aimed to support the school in various ways, ensuring that the students receive a nurturing and conducive learning environment. During the adoption, the school's requirements were assessed, and plans were made to improve facilities and educational resources. By taking this proactive step, the club demonstrated their belief in the power of education to uplift the community.

Similarly, the club extended their reach beyond the urban landscape by adopting a village at Kawakhali. With over a thousand families residing in the village, there were numerous challenges to address, including access to medical facilities, job opportunities, and clean drinking water. The club committed to fulfilling these needs, empowering the villagers and fostering an environment of growth and well-being. By adopting the village, the Inner Wheel Club of Siliguri Midtown showcased their dedication to making a meaningful and sustainable impact on rural communities.

The club inaugurated a Breastfeeding Kiosk, adopted underprivileged children, and provided shelters for elderly and differently-abled individuals. They distributed umbrellas to daily wage earners and eco-friendly bags to reduce plastic usage. Recognizing academic excellence, they felicitated students and celebrated cultural events on Bhanu Jayanti. Their Sewa event brought joy to residents of Ashram, and a Bio Enzyme Workshop provided sustainable livelihood options. The club promoted menstrual hygiene awareness and offered vocational training in Mehendi art.

In conclusion, the Inner Wheel Club of Siliguri Midtown's various events demonstrated their unwavering dedication to serving the community and addressing social issues. From environmental conservation to education, healthcare, and cultural celebrations, the club's initiatives have made a significant impact on the lives of many. Their compassion, commitment, and community-focused approach have set an inspiring example for others to follow, contributing to a better and more sustainable future for the society they serve.

# VISION WITH ACTION

I am elated to share the July Bulletin of District 324 with you all. A plethora of activities done! For the first time 5 breast feeding kiosks were set up in public places. 25 Happy Schools, 15 villages adopted, 15 slums adopted, 15 senior citizen centres opened under our Hello Milo programme for senior citizen care. 15 general health camps done, 2 dental and 2 eye check up camps, E-learning centre for Blind setup. Under zest for zero waste 5000 trees planted and a Green Squad formed to check the abuse of Environment. Eco friendly bags distributed glass bottle's distributed. We tied up with an NGO to launch our major project of reusable cloth fresh pads for 5 years for ensuring menstrual health and saving the environment. 5 villages have been made totally free from plastic sanitary napkins, 2 incinerators set up in girls schools. Also 20 tuberculosis patients adopted for 6 months, 2 wheel chairs given and 2 mentally challenged home adopted to bring light to their lives. A unique movie fund raiser organised at Shillong city to show respect to women was the theme. This is to show solidarity to women of Manipur Women who are being raped and paraded naked. This is too shameful. District 324 has two Clubs in Manipur. So stickers were put in the hands of all movie watchers and a special video made to show 3 stages of womanhood and to nurture them. We hope Inner Wheel Sisters will join hands to protest against exploitation of women and their trafficking. 1 Green Plant each was given for zest for zero waste.
